MEMORANDUM FOR: Chief, Analysis Group  
Chief, Production Group  
Chief, Operations Group

FROM: Chief, Engineering Support Group

SUBJECT: ESG Organizational Changes

1. Effective 23 September 1985 the following ESG organizational changes will be implemented:

STAT [ ] will assume the dual responsibility  
STAT of Deputy Chief, ADD and Chief of the Acquisitions  
STAT Branch, ADD.

STAT [ ] will assume the dual responsibility  
STAT of Deputy Chief, FED and Chief of the Field Support Branch,  
STAT FED.

STAT -Contracting Officer, [ ]  
STAT will report directly to C/ESG.

STAT -The Program/Configuration Control Board  
STAT Officer's [ ] responsibilities  
STAT will be broadened to include Program/Budget  
STAT oversight for all ESG activities. Configuration  
STAT Management control will expand to FBIS  
STAT activities outside of AFS in the near future.  
STAT George will report directly to C/ESG.

STAT -A Special Assistant position, reporting directly  
STAT to C/ESG, will be established. This position will  
STAT initially be vacant. [ ]

2. While these changes are principally internal to ESG they are being made to streamline Group level management activities and improve interaction with others FBIS Groups.
